MY FAVORITE PART ABOUT WORKING WITH THE DEV TEAM IS...

Working together to solve problems and build something cool. It's amazing to work with such an innovative and supportive team.

IF I COULD DESCRIBE THE DEV TEAM IN ONE WORD, IT WOULD BE...

Collaborative. The team is incredibly collaborative and everyone works together to come up with ideas, get feedback, and ultimately, get tasks done.

MY FAVORITE DEV TOOL IS...

Confluence. It's a great tool for teams to work together, share knowledge, and stay informed. It helps keep everyone organized and there's a ton of great content online about how to best utilize it.

WHEN I WAS A KID, I WANTED TO BE...

A baker; I always wanted to run my own bakery and still enjoy baking now.

IF I COULD EAT ONE THING FOR THE REST OF MY LIFE, IT WOULD BE...

Probably chicken parm. This was hard to choose!

IF I COULD LIVE IN ANY DECADE, IT WOULD BE...

Definitely the 90s!

I LOVE BREAKTIME MEDIA BECAUSE...

They have an incredibly welcoming and collaborative work culture. I love being able to work with a team of dedicated and passionate individuals!
